Dear Sir(s),

**Subject: Disclosure about the Capacity addition (Manufacturing) of the Company under Regulation 30 of SEBI (LODR) Regulation, 2015**

Apropos to the above, the required disclosure concerning the manufacturing capacity expansion of Power & Control Cables, LT & HT Power Capacitors and Thermoplastic Compounds/Zero Halogen Flame Retardant Compounds (all types and specifications) undertaken by the Company is furnished herein:

Existing Capacity (Manufacturing)	(i) Power & Control Cables of all types including other insulated Cables – 11,000 K.M. per annum. (ii) LT & HT Power Capacitors of all types equipped with APFC Panel facility -1,500 MVAR per annum.
Existing Capacity Utilisation	Optimal Level
Details of Capacity Addition	(i) Expansion of production capacity of Power & Control Cables of all types including other insulated Cables from 11,000 K.M. per annum to 18,000 K.M. per annum; (ii) Expansion of production capacity of LT & HT Power Capacitors of all types equipped with APFC Panel facility from 1,500 MVAR per annum to 4,500 MVAR per annum; and (iii) Establishment of production capacity of all types of Thermoplastic Compounds/Zero Halogen Flame Retardant Compounds by 3,600 M.T. per annum.
Period within which the capacity is to be added	Commencement of Production with effect from 18 <sup>th</sup> September, 2020.
Investment	Total outlay of fixed capital investment of approx. Rs. 117 Crores.

Mode of Financing	Term Loan / Internal Accruals
Project Rationale	The production capacity expansion has been undertaken with the prime objective of aligning the Company's manufacturing facility at Satna (M.P.) to keep pace with the envisaged growth in demand and migrate to the evolving technologies for manufacturing of Power & Control Cables, LT & HT Power Capacitors and Thermoplastic Compounds/Zero Halogen Flame Retardant Compounds.

This is for your information and record.

Thanking you,

Yours faithfully,  
**For UNIVERSAL CABLES LIMITED**
